DIARY NOTES

DD/S

25 June 1957

1. [REDACTED] talked to me about the possibility of moving the Records Integration Division to "J" Building inasmuch as he believed we might save as many as fifty people in consideration of the extensive traffic between that office and the various area divisions. I gave my approval in principle.

3. [REDACTED] telephoned with some concern about the possibility of losing Ray [REDACTED] 25X1A6a
[REDACTED]. He hoped very much that if [REDACTED] were going to [REDACTED] he would not have
to go immediately. He said he had also heard that the man in [REDACTED] might be extended. 25X1A6a
In this connection he advised me that his Administrative Officer's position was being re-25X1A9a
classified to grade GS-15. If this is the case, then I believe it would be better to put [REDACTED]
[REDACTED] or someone like him, in this position and leave [REDACTED] in the No. 2 position. 25X1A9a
If, however, it is to be a GS-14 job, I would let [REDACTED] take the No. 1 position and give him
a good No. 2 man. 25X1A9a

4. I called General Cabell's attention to the fact that Matt Baird felt that the [REDACTED] 25X1A6a
of the SR Division was a substantial duplication of the functions performed by the Office
of Training. He said that he had never visited this installation and that he would do so
sometime soon. I emphasized that it would be harmful if he indicated in any way that this
visit or his observations were connected with Matt's feelings in the matter. He assured
me that this would not happen.

5. With Gates Lloyd I met with Mr. Dulles and General Cabell to brief them on a
number of things prior to my departure on leave. They both read and approved of my re-
port of investigation into the charges made by [REDACTED] against [REDACTED]. It was 25X1A9a
agreed that I would furnish the Inspector General with a copy of the report with the ex-
ception of the attachments, all of which would be kept in my own files. Mr. Dulles also
said that since he was an old friend of [REDACTED] he thought he would call him in and
have a talk with him.
